

## **2019-20 ACT Budget Consultation Submission**

To whom it may concern

The AEU ACT Branch would like to see the following considered for the 2019-2020 ACT Budget:

1. Full funding of the AEU's claims for the next Education Directorate (Teaching Staff) Enterprise Agreement.
2. The continued rollout promised at the 2016 ACT Election regarding school infrastructure spending, with a particular focus on heating and cooling solutions.
3. A better resourced occupational violence and work safety presence within the Education Directorate.
4. A significant reduction in the use of private consultants at the Canberra Institute of Technology, which has increased from \$1,588,909 in 2015-16 to \$4,031,515 in 2017/2018.
